If hi-tech and modern weaponry is your game, have we got the playing pieces. From nukes to grenades, flame throwers to handguns, they're fully stocked, locked and loaded.

THE 9MM S.E.U. TOMAHAWK

1,000.

Rubber no-slip grip, slick chrome finish, top-of-the-line stopping power, all wrapped up in a sweet little package.

Laser and computer-assisted targeting, extended clip, flash suppressor, silencer, scope and folding stock extra.

Damage Modifier: +3.

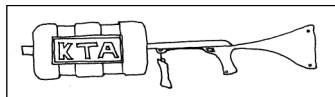

Also available in
matte finish!!!

THE KTA-9 ASSAULT RIFLE

9,500.

Now more ergonomically friendlier than ever, and light-weight too. The weapon of choice of Gaunt Blezben Corporation's Armed Services Division for eleven years running. Includes computer-assisted targeting, three months free enrollment in Medical and Distress Alarm, thumbprint and retinal scan access, and self-destruct utility.

Damage Modifier: +5 / +2 to Shoot checks.

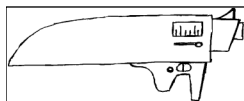

THE HUMUNGOUS LASER RIFLE

30,000.

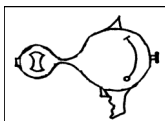

Developed for military applications universe-wide, and interdimensionally... Glycol Corporation's great toy—smart, sleek, shiny, and, oh, so deadly. Two AA batteries not included. GPS and cup holder additional.

Damage Modifier: +10.

LAZERTRONIK LAB'S 'JUMBO'

15,000.

The laser pistol's laser pistol. Compact, but watch out, does it pack a punch! Integrated battery allows you to easily recharge in your car or at any wall outlet.

Your choice of laser beam color: pink, turquoise or lavender. Damage Modifier: +5.

THE S.E.U. XP11

3,500.

S.E.U. Corp. comes out both guns blazing with the next generation of its raved-about lightweight submachinegun. Mow them down with one hand and use the other to fix your hair.

Damage Modifier: +5.

THE STREET MOP, SAWED-OFF MODEL

2,500.

KTA brings you the absolute pinnacle of shotgun perfection... Real wooden stock, double-barreled action, acclaimed five-star winner of the prestigious Rodderdam Crowd Control Award for its performance in the New Quark riots of '77.

Damage Modifier: +5.

THE BUNSON 2K FLAMETHROWER

4,000.

Need a light? Have we got one for you. Light up your days, nights, and everything in between.

New bushing technology seriously reduces mishaps involving the fuel cannister, and the new safety switch gets two thumbs up!

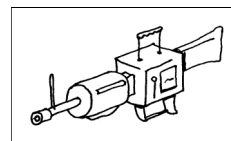

Fuel..... 100.
Area of Effect (20'/-2).

THE HT1 "HOLY TERROR" MACHINEGUN

5,000

Spraying lead at two thousand rounds per second, there is no other heavy machinegun. Includes tripod and collapsable barrel-mounted bipod.

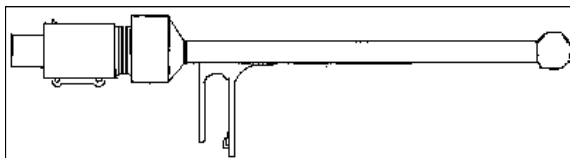

Damage Modifier: +10.

THE KTA 125MM PORTABLE CANNON

10,000.

"Wow!" What else can we say but, "Wow!" If you haven't checked out the weapon that ousted the bazooka from armed services divisions everywhere, you ain't seen nothing yet.

Durable, and unbelievably light-weight; optional shoulder strap is available in your choice of naugahyde or 95% genuine leather. Specify army green or city camouflage when ordering.

Damage Modifier: +15.

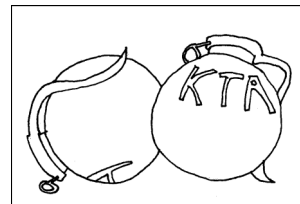

THE KTA H.E./INCENDIARY GRENADE

150.

Easy to use and pocket-sized too! Who said combat couldn't be fun? Clear rooms, avoid ambushes, save on ammunition.

You'll have a blast!

Area of Effect (20'/-5).

BOOMERANG

550.

Made of rare, Grade 'A' Arboreal black walnut, our double-edged boomerang is available with an arm angle of 90-160°. Silent and deadly, they'll never know what hit 'em. Not designed to return to thrower. Damage Modifier: +1 / Add Brawn.

SWITCHBLADE

350.

At the push of a button, and with spring action precision, you've got a sharp little blade that's guaranteed to keep its edge and point. For comfort and safety, you can't beat our switchblade.

Damage Modifier: +1 / Add Brawn.

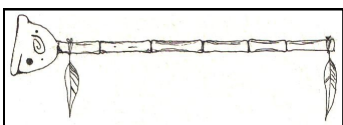

BLOWGUN

400.

I'll huff and I'll puff and I'll assassinate the target with my trusty Fab Freddie's blowgun. Top of the line technology, 91% guaranteed to deliver a dart with pin-point accuracy up to thirty feet.

Darts..... 20 each.

Damage Modifier: -1 / Add Brawn.

BRASS KNUCKLES

223.

Need that extra oomph that bone just can't give? Keep your knuckles smooth as a baby's behind, and let our brass knuckles do all the work—ergonomic and lightweight. Put trash-talkers in their place. Damage Modifier: +1 / Add Brawn.

CAT O'NINE TAILS

1,250.

What man could forget their childhood's first gander at the Panther Girl™ vid comics? Which one of her nemeses will ever forget the sting of her patented weapon? Act now, and with your purchase we'll include her entire first season, surgically implanted in your brain for free. Me-ROWR!!!

Damage Modifier: +1 / Add Brawn.

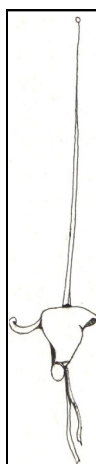

FOIL

350.

Just what the fencing fanatic ordered. Our foil provides a flexible yet sturdy blade that easily punches through even leather. En garde! Lunge! Parry!

Damage Modifier: +3 / Add Brawn.

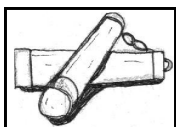

NUNCHAKU

325.

Actor and martial arts instructor, coordinator and choreographer, Yeng Chi Duk's weapon of choice. Check out our take on this classic martial arts weapon: steel or wooden construction (as pictured) with rubber-coated steel chain, to avoid those nasty pinches, and padded coverings for the learner.

Damage Modifier: +1 / Add Brawn.

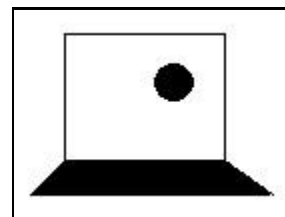

THE SLINGSHOT FROM BEYOND

5,000,000.

What do you get when you combine a black hole and a white hole with a worm hole, and nestle the lot into a 2 x 2 x 2 inch cube? We've hired scientists from six different species (one of them extinct) and at least eleven planets in three different galaxies to bring you our supra state-of-the-art slingshot.

Box/trigger combo available in white/red, day-glo orange/brown or ice blue/white.

Shot..... 50 / packet of one dozen. Damage Modifier: +20.

Need a mace for that special someone? How about a broadsword for home defense? Crossbow for the neighbor's dog doodling in your backyard?

Look no further.

Introducing the new Bedivere Line, brought to you by Fab Freddie's and Fief, a genuine, unsullied planet caught up in a thousand years' Dark Age, an arsenal of primitive weaponry.

Yes, you heard right, high-quality hand-to-hand weaponry, bows and crossbows, all at prices so low you'll kick your jaw.

With the new governmental bans, primitive weapons, cheaper and easier to maintain than their modern counterparts, are really coming into their own. A great investment, and stylish to boot.

Order now and be entered in our contest to win a real king's jewel encrusted dagger.

A.—BREAST PLATE

1,500.

Cotton and professionally-cured leather padding. The etched scrollwork will be the envy of all your friends.

Available in small, medium, large and extra large tall.

A.—LONG SWORD

A tried and true weapon. Discoloration on some units is dried blood, and indicates a previously-used unit. Acceptance of a previously-used unit will result in your name being entered three times for the king's dagger.

Damage Modifier: +3 / Add Brawn.

B.—WAR HAMMER

This is no artisan's tool for nails, but it's great for nailing...

Skulls. Double-headed so you can get 'em even on the backswing.

Damage Modifier: +3 / Add Brawn.

C.—DIRK

The ORIGINAL concealed weapon, and now available in a new plastic model, faithfully molded from the original.

Plastic model.....

Damage Modifier: +1 / Add Brawn.

D.—THE CRUSHER

Popularized by the police force of King Dastardly the Nice in their mounted suppression of the Serf Riots of 912: The Bedivere Line's mace.

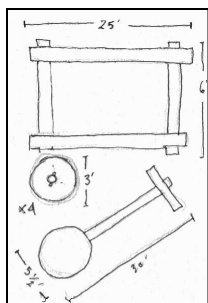

Damage Modifier: +1 / Add Brawn.

CATAPULT

Precision crafted oak and walnut construction, and rubberized wheels. Trailer hitch included.

Assembly required.

Damage Modifier: +10.

500.

E.—GREAT SWORD

What's so great about our great sword? Well, mostly it's that it's so big. How big? Well let's face it, size does matter.

Damage Modifier: +5 / Add Brawn

-1 modifier to Melee Weapons checks for each point of POW below 5.

925.

475.

F.—HUNTER'S BOW

Masterfully crafted and precise, even by our modern-day standards. Includes three extra bow strings and a nifty, hand-crafted leather quiver (monograms available).

One dozen arrows.....

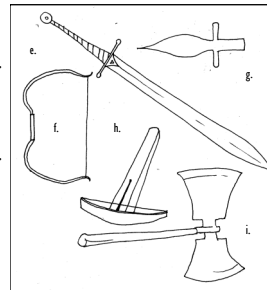

Damage Modifier: +3

Add Brawn.

G.—PIKE

Oak shaft, steel tip honed down to almost nothing. Popularized by the people of the Kingdom of Nice in their glorious rebellion against King Dastardly the Nice. Tip only illustrated, actual pole length of 21' not pictured.

Damage Modifier: +3 / Add Brawn.

325.

H.—HEAVY CROSSBOW

State of the art steel assemblage: sturdy, durable and lightweight.

Laser-assisted targetting system no longer available due to minor radiation seepage.

One dozen

quarrels.....

Damage Modifier: +5.

750.

300.

I.—THE CLEAVER

Though never actually completing his quest for the semi-mythical snipe beast, Wally, Sir Ward of Beaver, did, through his adventures with unruly peasants, savage wild beasts, hapless travellers and stubborn trees, popularize the heavy battleaxe.

Now we're bringing it to you in all of its solid oak hafted, tempered steel glory.

Damage Modifier: +3 / Add Brawn

-1 modifier to Melee Weapons checks for each point of POW below 4.

750.

Order NOW and OFTEN!!!

All orders received by December 25th will be placed in a drawing to win what appears to be a cannon of some sort. Measures 21' in length, no apparent firing mechanism, unknown origin, possibly organic.

D6 x 7 Damage / Area of Effect / Burst Fire Capable.

The winner will be notified by courier no later than June 13 of next year.
